Today's Business Traveller

Connected, Reliable, Responsive

Relationship Enabler

Despite the advances in communication technology, tested service partners remain the lifeblood of business. Corporate travel has proved essential for nurturing the vibrant commercial relationships essential to growing your business.

However, even with today's sophisticated systems, corporate travel can be complex and demanding due to:

- Explosion of choice of travel products
- Burgeoning of distribution channels for travel product
- Complex airline and hotel pricing models

One organization understands this well - *Takhayal Travel*. Our travel program helps you make sense of these complex products saving you time and energy!

"A journey is best measured in friends rather than miles."
